Dec. 17, 1991

Dear Madam or Sir,

I would like to obtain information on water rights for the five streams listed below. I am interested in the names of the holders of water rights, the locations of diversions, and the amount of streamflow that may be diverted.

I understand that these rivers may have been adjudicated. Please inform me if that is the case.

The streams are:

1. San Gorgonio River (Salton Sea Basin) 3224
2. South Fork Whitewater River (Salton Sea Basin) 3223
3. Little San Gorgonio River, above the USGS streamgage (lat. 34°01'45", long. 116°56'43", 3.0 mi. upstream from Wallace Creek) (Santa Ana River Basin) S 11472
12218
4. Pechanga Creek (Santa Margarita River Basin) 11850
5. La Posta Creek (Tijuana River Basin) 11850

Please let me know whether this information is available from the Division of Water Rights, and what the fee would be for the information search.

Thank you,
